

Genius pDNA

Apprenticeship delivery,
powered by AI

Personalised pathways. Clearer progress. Stronger compliance.

LEARNER PATHWAYS

GENIE AI

COMPLIANCE READY

The challenge

Delivery is often split across spreadsheets, evidence folders, ILR tools, review forms and compliance records.

The answer

Genius pDNA connects the learner record and turns pathway, evidence, OTJ, ILR and compliance data into practical next actions.

What Genius pDNA brings together

Adaptive pathways

Generate personalised module sequences from standards, profiles and readiness.

KSB evidence & OTJ

Track evidence, marking, classroom hours and accepted manual OTJ in one view.

Training Plan automation

Template once, auto-fill modules, snapshot versions and capture signatures.

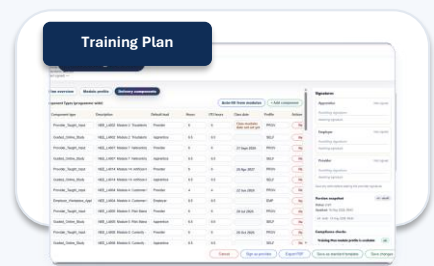

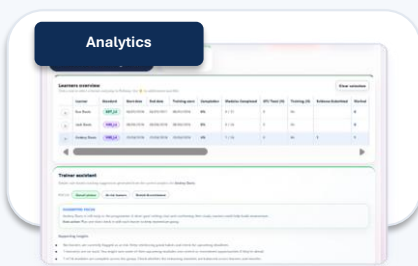

ILR & compliance

Support FM36 readiness, process forms, reports and audit-friendly records.

Genie AI assistant

Ask plain-English questions and receive role-aware, action-led answers.
